

HARVEST BAPTIST ACADEMY

Servathon 2024

Dear Friends and Family,

I am writing to propose an exciting fundraising opportunity for Harvest Baptist Academy.

This year, we will hold our 8th annual Servathon. This is the event when our entire school takes one day off to go into our community to serve and bless those around us. It's an incredible learning opportunity for our students and a way for us to give back to those in our area—and even around the world! Take a look at some of the ways our students have participated in past events.

In 2023, students participated in OCC shoebox packing, setting a record with 593 boxes. Students also donated crafts to a local senior living center, engaged in neighborhood and park cleanup, and supported the TryLife organization project.

Here is where you come in! The primary objective of this event is to raise funds that will directly benefit the students and enhance our educational experience. Would you consider becoming a sponsor? Last year, your generosity helped our school raise nearly \$50,000. These funds were used towards several projects that benefit our students on a daily basis. For instance, this year we completed the construction of two additional classrooms to accommodate our expanding classes!

We firmly believe that by joining forces, we can make a significant difference in the lives of Harvest Baptist Academy's students. Your support will not only contribute to our academic growth but also instill in us a sense of community and the importance of giving back. Our proposed fundraiser will take place on **Thursday, November 7** at Harvest Baptist Academy. We are asking that all donations be submitted by Wednesday, November 6. Please know that all gifts are greatly appreciated and are tax deductible. And did you know many businesses will match donations made by employees? Your place of employment may be one of them!
